It is vital to keep your IG on a leash at all times when outdoors if not in a fenced area. IG's are sighthounds and will chase small moving objects regardless of danger. NEVER 'trust' your Italian Greyhound won't run away!

You must agree to keep your Italian Greyhound in your home as a part of your family. This breed should not be kept outdoors or left outside unattended.

You must agree to have your rescue dog wear an ID tag, with current contact information, at all times.

You must agree to maintain Vaccinations recommended by your vet and be responsible for licensing your dog according to regulations in your community.

You must contact the TIGR Representative and provide notification of any change in contact information from that listed on this application.

You must notify the TIGR Rescue Representative if you cannot keep your rescue dog for any reason. The rescue dog may not be given to a humane shelter, other rescue group, or individual, without the consent of TIGR Rescue.

A minimum donation of \$250 per adoption is requested and is non-refundable. All checks should be made payable to TIGR. TIGR operates entirely by donations from those interested in the well-being of the breed, and adoption donations.

Triangle IG Rescue reserves the right to refuse any adoption.

I CERTIFY THAT I HAVE READ THE ABOVE AND AGREE TO ABIDE BY THE REQUIREMENTS SET FORTH. IF I QUALIFY & ADOPT AN IG FROM TIGR RESCUE, I WILL ACCEPT FULL RESPONSIBILITY FOR THIS IG.

I understand that TIGR reserves the right to repossess the rescue dog should any portion of this contract be breached by the adopter(s), or if it is determined the rescue dog is not properly cared for in any way.
